## NOTES

The recommended AI NVR 2 replacement products are the most comparable to the corresponding AI NVR discontinued products. AI NVR 2 replacement products will become available for orders on a rolling basis before June 30, 2024, pending inventory stockout of equivalent NVR5 discontinued products. For further details, please refer to the enclosed [AI NVR 2](#) product datasheet.

## REASON FOR END-OF-LIFE

Certain platforms and components of AI NVR Standard, Premium, Premium Plus models and accessories have reached their end of life and require refreshes of these platforms and components.

#### **LAST ORDER DATE**

All AI NVR Standard models (16TB to 48TB), AI NVR Premium models (64TB to 160TB), AI NVR Premium Plus models (64TB to 160TB) and accessories will remain available to order while quantities last or June 30, 2024.

#### **WARRANTY POLICY ON DISCONTINUED PRODUCTS**

If a failure of an above-listed discontinued product occurs while the product is under warranty and such failure is covered by the warranty, Avigilon will handle the failed unit according to the Avigilon Warranty and Product Policies. For more details, please refer to <https://www.avigilon.com/support/warranty/limited-warranty>.

#### **SUPPORT POLICY**

Avigilon will continue to support AI NVR Standard models (16TB to 48TB), AI NVR Premium models (64TB to 160TB), AI NVR Premium Plus models (64TB to 160TB) models until June 30, 2029, or the expiration of the unit's warranty as determined by the unit's service tag, whichever comes first.
