NOTES

The replacement products suggested are the most comparable product to the previous generation. ENVR2 PLUS models began shipping in 2022. For further details, please refer to the enclosed [product datasheet](#).

REASON FOR END-OF-LIFE

Certain platforms and components of ENVR1 and ES Rugged Appliance models have reached their end of life. ENVR2 PLUS is a direct replacement for ENVR1 only and ES Rugged has no direct replacement.

LAST ORDER DATE

All ENVR1 and ES Rugged Appliance models will remain available to order while quantities last or Nov. 1, 2023 whichever comes first.

All ENVR1 accessories will remain available to order while quantities last or Nov. 1, 2026 whichever comes first.

All ES Rugged Appliance accessories will remain available to order while quantities last or Nov. 1, 2023 whichever comes first.

WARRANTY POLICY ON DISCONTINUED PRODUCTS

If a failure of an above-listed discontinued product occurs while the product is under warranty and such failure is covered by the warranty, Avigilon will handle the failed unit according to the Avigilon Warranty and Product Policies. Warranty extensions on applicable discontinued products must be purchased prior to the warranty expiry date. For more details, please refer to <https://www.avigilon.com/support/warranty/limited-warranty>.

SUPPORT POLICY

Avigilon will continue to support ENVR1 models until Nov. 1, 2026, or the expiration of the unit's warranty as determined by the unit's service tag, whichever comes first.

Avigilon will continue to support ES Rugged Appliance models until Nov. 1, 2028, or the expiration of the unit's warranty as determined by the unit's service tag, whichever comes first.
