Replacement product notes

There will be no successor to the [H5A Rugged PTZ camera](#) within the Avigilon product catalog. However, if you are seeking a rugged, military standard (MIL-STD) PTZ solution, you will be able to purchase the [Esprit Compact PTZ camera](#) from our Pelco catalog through a [distribution partner](#). Alternatively, you can request entitlement to sell Pelco products in the [Partner Portal](#). The Esprit Compact is a rugged, mission-critical PTZ that can withstand the most extreme environmental conditions.

Last order date

All discontinued products listed are available to order until June 30, 2024, or while supplies last, whichever comes first.

RMA and warranty policy on discontinued products

If a failure of an above-listed discontinued product occurs while the product is under warranty and such failure is covered by the warranty, Avigilon will replace the failed unit with an approved replacement unit. Please refer to the Avigilon Warranty and Product Policies for more details, at avigilon.com/warranty.

Support policy

Avigilon will continue to support the above-listed discontinued products until June 30, 2029, or the expiration of the installed Product's warranty as determined by the unit's service tag.
