

TELDIO TRUFLEET PLUS

Track and manage people, vehicles, and assets, both indoors and outdoors using your two-way radio network.

Real-Time Location Tracking and Fleet Management for Two-Way Radio Networks

Teldio TruFleet Plus tracks, monitors, and manages your employees, vehicles and assets in real-time using a rich and intuitive web-based interface that can be accessed on your desktop, tablet, or mobile phone to improve communication, enhance productivity, and increase safety.

Moreover, the addition of the **Teldio Edge Gateway** enables seamless automation based on geo-fencing, locations, and events, enabling businesses to efficiently monitor assets, track vehicles, and automate workflows by leveraging real-time notifications and intelligent triggers.

ACCURATE LOCATION TRACKING

Track the location of employees, assets, and vehicles, in both indoor and outdoor environments, in real time.

REAL-TIME MESSAGING

Easily send messages to your employees and specified groups via two-way radio, email, SMS, and more.

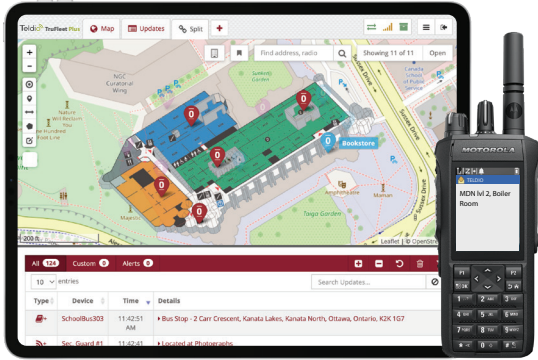

AUTOMATED ALARM MANAGEMENT

Be able to send and manage alarms from your two-way radios, access control systems, fire panels, sensors, and more.

ENHANCE YOUR MOTOTRBO™ RADIOS WITH PRECISION LOCATION CAPABILITIES AND AUTOMATION

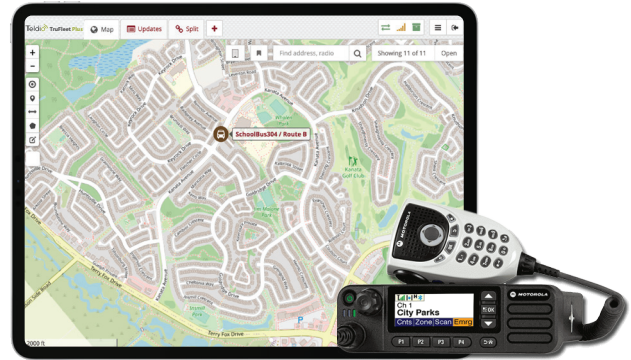

Stay connected to your employees, vehicles, and assets around the clock and in real-time by tracking the location and movements of MOTOTRBO™ radios. Teldio TruFleet Plus improves communication with your remote workers to enhance productivity ensuring the safety of your employees and valuable assets.

INDOOR TRACKING

Monitor Your Employees' Location and Safety

Track the location of your personnel to quickly find employees in an emergency, or direct the closest person to an event.

OUTDOOR TRACKING

Track Your Fleet and Valuable Assets

Know the location of your fleet of school buses, utility trucks, or any vehicle or asset equipped with a MOTOTRBO™ radio in real-time.

PRECISE INDOOR AND OUTDOOR LOCATION TRACKING, MESSAGING, AND ALARM MANAGEMENT FOR AVTEC

Strengthen your Avtec dispatching solution with Teldio TruFleet Plus by enabling accurate location tracking for both indoor and outdoor environments, radio messaging, emergency alerting, and video integration - all accessible within your Avtec Scout Console™.
